COOKING CLASS

CORPORATE
TEAM BUILDING

The Client Experience

- The kitchen is always where the party starts and where it ends up. We want to give people a chance to gather in our own kitchens
- It gives people a chance to interact out of the work environment and talk about a shared experience
- When employees see leaders and other team members participating they become more relatable
- Chef Joey offers a fun virtual event that can engage all employees, who can participate at whatever privacy level they like

A Live Experience

- Classes are appropriate for all skill levels
- Chef Joey is entertaining and fun!
 - He has interaction with employees through show-and-tells
 - He has employees asking questions
 - Our team can spotlight certain people/leaders in the company

The Cooking Experience

- Chef Joey provides historical information and cooking tips and tricks
- He helps you choose a theme and a menu
- Chef Joey can provide a wine pairing and recommend a special cocktail
- Our team provides class resources on your branded landing page which includes:
 - Shopping list
 - Recipe(s) and pre-class prep list
 - Zoom sign-in

Many Cuisines to Choose From

Chef Joey provides you with *any* cuisine option to work within your timeline and your dietary restrictions.

- International Street Food
- French
- New Orleans Cajun
- Twist on Comfort Food
- Italian
- Vegetarian
- California Spa
- Soul Food
- Mexican
- Spanish Tapas
- Chocolate - Savoury & Sweet

Making Registration a Breeze

- Chef Joey can host anywhere from 10 participants to 1000.
- Our team can manage your registration or we can simply provide a link to all the resources and you manage registration
- Our registration services include many benefits:
 - We can cap the event i.e. if you wanted a more intimate group
 - If employees are responsible for partial or full payment we can process the funds
 - Registration reminder emails (content approved by you)

Pricing

- Pricing is based on a **base fee** for participants up to 20 households
 - Weekend Fee - Monday to Friday afternoon
 - Weekday Fee - Friday to Sunday
- Then cost per household reduces per participant over that 20 household threshold
- We have convenient payment options:
 - payment can come directly from the company in one lump sum
 - the employee can pay directly individually
 - a combination of the two, if the company wanted to subsidize entry
